KSDC ~ The Kentucky Staff Development Council

Who Are We?

The **Kentucky Staff Development Council** is an affiliate of the National Staff Development Council (NSDC). We are an educational service and support organization for persons engaged in individual and organizational professional development. We invite you to join our organization and attend a workshop on evaluating professional development.

*"Build on the past...
Work on the present...
Create the future..."*

KSDC Goals:

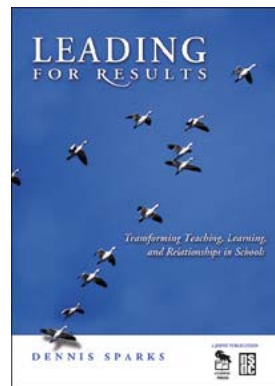

- ♦ To provide awareness of and link-age quality national movements and trends in professional staff development.
- ♦ To promote a Kentucky model for coordination, collaboration, and net-working in professional development.
- ♦ To establish lasting organizational capacity that promotes growth and support for district and school-based coordinators of professional devel-

Who should come?

District leaders, principals, professional development coordinators, teacher leaders and all those who wish to promote transformation within schools.

What can you expect to gain from attending this training?

- ♦ Develop clarity regarding their assumptions, intentions, requests, and new actions related to key areas of their work;
- ♦ Practice several results skills to increase their interpersonal influence; and
- ♦ Identify ways in which *Leading for Results: Transforming Teaching, Learning and Relationships in Schools* can be used in their settings.

All attendees will receive a copy of Dennis Spark's book: Leading for Results: Transforming Teaching, Learning, and Relationships in Schools
